Whereas, “Missouri Nights” far exceeded the expectations of all those involved due to the knowledge and creativity of the staff and administration of the Wyndham Miami Beach Resort, Miami Beach; and

Whereas, the celebration took place at the Wyndham Miami Beach Resort on Miami Beach, and showcased and celebrated the cultures and heritage of the State of Missouri as well as the people of Florida; and

Whereas, this special evening of cultural exchange and enlightenment provided an opportunity to savor the food, music, and dancing typically enjoyed by the people of both great states; and

Whereas, the people of the State of Missouri have consistently welcomed and appreciated individuals from other states, countries, and cultures — be they tourists, visitors, or legal residents — and have provided them with cultural and other opportunities; and
